Dante Barsi's union orchestra has been engaged by the Italian Civic Committee, composed of the Order of Owls, Italian-Catholic Federation, Italian-American Progressive Club of Redwood City, Redwood City Liberty Club and Italian Family Club of Menlo Park.

Tribune Insurance Policy Value Told

Joseph H. Bergmans, who was injured November 15 in Burlingame when struck by a car, is glad he held a Tribune Insurance Policy.

For today Bergmans, who will lie on his back at his home at 449 Jackson street for from four to six weeks more as the result of a spinal injury incurred in the accident, received a check for $40, representing payment for four weeks.

For 15 weeks, if Bergmans is disabled that length of time, he will receive $10 a week, under terms of the policy issued through The Trbiune by the North American Accident Insurance Company.

The policy was obtained by Bergmans in exactly the same manner as can any other reader of The Tribune obtain one by the payment of $1 a year.

A bounty of $2 has been placed on coral and rattlesnakes at Clearwater, Fla.

Corporations, Banks Are in Divorce Suit

Not only her husband but four corporations and two banks were named defendants when Lillian Schenk of San Mateo brought suit for divorce today from Leland Schenk.

Suing through Attorney Francis N. Foley, Mrs. Schenk charged cruelty, alleging, among other things, that she was locked out of the couple's home at 575 24th street.

The Pacific Gas and Electric Company, American Telephone and Telegraph Company, Pacific Telephone and Telegraph Company and Transamerica were named in the complaint because the couple purportedly hold stock in the corporations, while the Bank of America and San Francisco Bank were named because bank accounts of the couple allegedly exist therein.

Mrs. Schenk seeks to prevent the stock and funds from being disposed of pending outcome of the suit.

She asks $75 a month alimony.

SAN MATEO, Dec. 18.—Miles Lee of Niles, colored, received a 15-day sentence for reckless driving, and Joseph Gaines of San Mateo, also colored, was fined $25 and given a 10-day jail sentence for the same charge when the pair appeared here before Judge A. H. Stetson.

A charge of driving while intoxicated was reduced to the reckless count in the case of Gaines.

Crack Pistol Shot Gives Chief Lesson

PALO ALTO, Dec. 18 (AP)—William LaMarr, learning how to be a policeman, arrived at the revolver stage.

Police Chief Howard Zink explained the art of shooting and invited LaMarr to try. He rang up six bulls-eyes in a row with the right hand and repeated with the left.

Beginner's luck, thought Zink, until LaMarr tried it again with a score one point short of perfect. Thereupon the chief discovered his pupil was a crack army pistol shot.

Ice Refrigerator Declared Ideal Christmas Gift

A Christmas gift which will not only delight the housewife, but will add to the health and happiness of the entire family the year around, is a gleaming-white, air-conditioned ice refrigerator.

A revolutionary new feature of these ice refrigerators is air conditioning, which keeps foods "garden-fresh" for days at a time. This is accomplished by a constant circulation of air, which provides just the proper amount of moisture to foods and, at the same time, carries away food odors and impurities.

Beauty of design is another distinguishing feature of these refrigerators. Some of the models are of white porcelain throughout, with an abundance of shelf room, separate vegetable and egg compartments, and a freezing tray, where, in 45 minutes, delicious frozen salads and desserts can be made.

The new ice refrigerators are moderately priced, and provide perfect refrigeration at a minimum cost. They are on display in local ice companies' sales rooms.

ANOTHER SOUGHT IN STOCK DEALS

With grand theft charges against Max Klein and Phillip Harris dismissed at their preliminary hearing, Dep. Dist. Atty. Louis B. Dematteis today renewed search for a third man in the trio who had been accused of mulcting an Atherton couple of $5,000 in stocks.

Justice Edward I. McAuliffe decided for the defendants in the preliminary late yesterday after they had testified the third man, whose name was not revealed, paid money to Attorney Joseph McShane on behalf of Mr. and Mrs. John H. Hansen to compensate them for their stock.

Attorney McShane immediately denied on the witness stand that such a transaction had been made, but Judge McAuliffe determined to dismiss the case.

Klein and Harris had been accused of taking from Mr. and Mrs. Hansen stock with the promise of doubling its value within 90 days. As security, according to the Hansens, they were given oil land in Kern county. Investigation disclosed the land had an assessed valuation of only $80, they testified. Klein and Harris refused to return the stock, they claimed.

ARTICHOKE FIELDS GUARDED

The annual Christmas tree given by the Douglass family will be at the fire house under management of Chief Cuff on Wednesday instead of at the Douglass home. The Douglass family has closed the home.

The children of the Sunday School of the Church of the Nativity enjoyed a Christmas tree in the Hall of the Nativity Wednesday afternoon. Nearly 100 youngsters were made happy when Santa Claus came and distributed many gifts to them. The Rev. Father McKeon was present, giving the boys and girls a pleasant greeting, and aided Santa Claus in the distribution of gifts.

The card party sponsored by St. Joseph Alumni at the palatial home of Mrs. P. E. Bush in Menlo Oaks Monday night was a decided success. Over $50 was netted. This will be added to a fund to construct a basketball court at the parochial school. Mrs. Bush displayed much ability as a gracious hostess.

Christopher Huber, the saintly man of St. Patrick's seminary, suffered abrasions of the face and hands Monday evening when he was thrown from his bicycle by a truck driven by L. Lake of Palo Alto. Huber was rushed to a hospital where the aged man's injuries were found not to be serious.

Driving in 'Zig-Zag' Costs S. F. Man $50

(Special to The Tribune)

BURLINGAME, Dec. 18.—"Zigzagging" down Burlingame avenue at 1:30 a. m. Saturday had today cost John Roscoe Evans of San Francisco $50.

Theodore Stead, officer who cited Evans for reckless driving, charged Evans was driving erratically, made a "U" turn where he shouldn't have, and was caught by the officer only after a lengthy chase.

At the same court session before Judge R. L. Stone, Maurice Hammel was fined $10 for speeding.

Prison Faces Man On Petty Theft Count

(Special to The Tribune)

SAN MATEO, Dec. 18.—Logan Matthews, 26, local garageman, faced a prison term today on a charge of petty theft.

Twice previously convicted in San Francisco of stealing automobiles, he was arrested last week for allegedly stealing a saddle valued at $100. His bail was set at $250 cash, $500 bond, when he appeared yesterday before Judge Arthur H. Stetson here.

Judge Stetson said that Matthews would be bound over to superior court after the formality of a preliminary hearing. Conviction on a third offense would bring a prison term, the judge stated.

Safeway Stores To Fully Assist Employment Act

California's new Unemployment Reserves Commission today was offered the full co-operation of Safeway Stores, Inc., in administering the State's Unemployment Reserve Act, and the Federal Social Security Act, both of which are to become effective January 1.

"It is our desire to see that every feature of the new measures is properly carried out by our company in the interest of our employees," L. A. Warren, president of Safeway Stores, Inc., said.

"Establishment of adequate social and economic safeguards for the welfare of employees and their dependents has always been of great concern to our company," Warren said.

"Four years agow we established a system ourselves whereby our employees and their families would be protected against financial losses caused by sickness, accidents, or death through a program of free insurance administered by a newly established Safeway Employees Association.

"Safeway has always had a genuine concern for the welfare of its personnel. This is demonstrated with the payment of good wages, good working conditions, opportunities for promotion, and the enjoyment of greater social, fraternal and protective benefits through the Safeway Employees Association.

"Consequently we feel that the intent of both the California Unemployment Reserve Act and the Federal Social Security Act has long been part of the spirit of Safeway as evidenced by its record in providing for the future welfare of its personnel."

INDIANS VISIT ORIENT

FAIRFAX, Okla. (AP)—No Indian from the Osage country, blessed with oil incomes, has ever before ventured on so long a journey as Paul Beartrack, globe-trotting Cheyenne, and his Osage wife, who have returned from a trip half way around the world. Some Indians of Oklahoma have been as far as France, but the Beartracks were said to be the first to visit the Orient.

Child Avoids Injury As Bedclothes Burn

(Special to The Tribune)

MENLO PARK, Dec. 18.—A fire chief's gathering to witness a demonstration of the latest advanced methods in controlling oil fires was broken up late yesterday by a real blaze in the home of Mr. and Mrs. George J. O'Brien Jr., on Glenwood avenue, Atherton.

The chiefs accompanied the engines to the scene of the fire, but found their assistance unnecessary.

About $25 damage was done when the bedclothes of Peter O'Brien, 5, were ignited by a candle the boy had lighted at his bedside.

He escaped unharmed.

South Africa has an anti-divorce campaign.

$359 DAMAGES AWARDED

Injuries suffered by Florence Verser when she was thrown while stepping off a Market Street Railway car in Burlingame today resulted in a $359 judgment being awarded her by Superior Judge A. R. Cotton against the street car firm. She was represented in the action by Attorney F. N. Foley.

A baby's head and eyes should always be protected from direct sunlight.

$1,000 in Damages Sought From County

J. J. Doyle, San Francisco attorney, today filed with the board of supervisors claim for $1,000 on behalf of the Pacific Motor Transport Company, saying that on November 2 his client's automobile containing merchandise suffered that amount of damage because a "bridge at the site of the accident was not of the height provided for by the vehicle code."

REDUCED ELECTRIC RATES

Electric Service Costs Steadily Reduced for Our Customers

Electric rates have dropped steadily and consistently since 1928.

* * *

In 1928 electric rate cut saved our customers $2,418,900 yearly.

* * *

In 1930 electric rates again saved our customers $3,020,000 more yearly.

* * *

In 1935 an inducement rate saved our customers $1,600,000 in one year.

* * *

Now in 1935-1936 reduced electric rates save our customers $3,924,000 yearly.

Now more than ever electricity is the Biggest Bargain in Your Home.

BEFORE this month is out, you will be using cheaper electricity—much cheaper now than ever before. Many families will save enough on the electric bill each month under the reduced electric rates beginning with January bills, to receive much added service at little or no additional cost, depending upon their monthly use of electricity. To take advantage of the savings from the new low electric rates, many families right now are buying electrical gifts for Christmas.

Electrical Servants Cost So Little —Do So Much

What electrical servants does your family want for Christmas? Is it one of the new electric refrigerators? How about a really good reading lamp for your living room? Or perhaps housework can be made easier with a modern vacuum cleaner, washing machine or ironer? Then do not forget about a new radio, electric clock, sandwich grill, percolator, toaster, coffee maker or waffle iron. Many of these appliances, depending upon the amount of electricity you regularly use, can be operated for weeks and months with the savings from your added use of electricity under the reduced electric rates.

Electricity does more for you in your home and costs less than anything you buy. Let us help you plan to receive greatest benefit from the new low electric rates. Call at our office or 'phone for our representative.
